I see the soul in my eyes

Once it was beauty

Healing hearts to bleed

That it can t put a smile on my face
G A
And I don t wanna to wait.

[Chorus:]

This is my lullaby for love

And I hope it will never wake up
D Bm
This is my last goodnight kiss
G A
To save me always from my tears

My way of life changes because of you

I hope you feel that my smile isn t true
Bm A G
They told me time is a healer

Healing hearts to bleed
D Bm
But there s not one glimmer of hope
