standard tuning, no capo

INTRO: | **Cm** | **Db** | **Eb Db** | **C** | (x4)

CHORUS: | **Ab** | **Cm** | **Ab Bb** | **Cm** | x2

Congress man, let us stop exploiting our children.  
To all them gangsta man, I beg you stop caressing our women too.

VERSE: | **Cm** | **Db** | **Eb Db** | **C** | (x4)

You seal yourself behind dem walls, thinking nothing could ever get to you.  
You donâ€™t even care about the children, looting and shooting dem brothers and sisters down.  
Meanwhile our country is bombing somewhere in the middle of Afghanistan.  
And they donâ€™t even care about the people, who suffer and die in Oakland.  
Well thatâ€™s not my plan, yeah.

CHORUS: | **Ab** | **Cm** | **Ab Bb** | **Cm** | x2

Congress man, let us stop exploiting our children.  
To all them gangsta man, stop caressing our women too.

VERSE: | **Cm** | **Db** | **Eb Db** | **C** | (x4)

You hide yourself behind your dollar, which one day crumble down to the ground.  
You donâ€™t seem to care about the youth man, as you glorify the murderer you know.  
Today weâ€™re living in illusion, between reality and what is on MTV.  
Believe my prophet saying â€œHalf the story has not yet been toldâ€œ.  
And this I know, yeah.

CHORUS: | **Ab** | **Cm** | **Ab Bb** | **Cm** | x2

Congress man, let us stop exploiting our children.  
Gangsta man, I beg you stop caressing our women too.

OUTRO: | **Bb Ab** | **Cm** | (until the end)

Oh Lord yeah, oh Lord yeah, oh Lord yeah.

As the world goes out in flames, no, the youth men are not to blame.  
To all evil workers underneath the sun, your time is done.  
Your time is done. your time is done...
