One More Day
Groundation

```
D#                          Cm
People if I had only one more day
G#          A#              D#
I d live my life right I would
I would find a way to love everyday,
All people as I should
And as they walk , let them talk
Let them talk about yesterday
Standing alone, mounting their sin upon sin,
With nothing within

          E#m      G#                 Cm
People if I had only one more time to groove yea
          E#m      G#               Cm
People if I had only one more time to move,
                A#            D#
I d let my soul groove
G#              Cm
Live It Up, Live It Up,
G#                       Cm
No you can t (can) go on forever
G#         Cm          G#                Cm
Live It up, Live It up, Ya can t (can) go on forever

People if I had only one more day
I d live my life right I would
I would find a way to love everyday,
All people as I should
And as they walk, let them talk
Let them talk about yesterday
Dreaming alone, yes I wish the best for you,
Now what ya gonna do ?

Live it up, Live it up, you can t (can) go on forever
Jah Jah kingdom forever
