

Dont Say Oh Well
Grouplove

Tabbed by Lewis Donovan
Capo on 6th
Standard Tuning

G D Em
Yeah I step outta my little country
G D Em
I travelled seasons, took a longboat
G D Em
And now I find my self in a small town
G D Em
It s so remote I couldn t trawl

G D Em
So I kissed my mommy, On her sweet cheeks
G D Em
And I told my dad I m real glad that we re friends
G D Em
Said to my brother I ll surely miss him
G D Em
I m coming back just don t know when

Em C G D Em
Waited enough to find the truth, the pain, again then say oh well
C G D Em
Don t say oh well
C G D Em C
Don t say oh well

G D Em
And I told my bandmates, they are my soulmates
G D Em
And I hope we can understand
G D Em
That this year has been a big one, yeah
G D Em
We following what we don t plan

G D Em
So do you got that sweet devotion
G D Em
Oh will you follow your heart s plan
G D Em
Oh why not jump in to that ocean
G D Em
And run your fingers through your hair

Em **C** **G** **D** **Em**

Waited enough to find the truth, the pain, again then say oh well

C **G** **D** **Em**

Don t say oh well

C **G** **D** **Em**

Don t say oh well

C **G** **D** **Em**

Don t say oh well

C **G** **D** **Em** **C**

Don t say oh well
