Get Giddy " Grouplove

(Capo fret 1)

G **D**
Oh let's be friends
Am **D**

But there's only one tonight

Am **Bm**
And if those stars above

They ain't showing love

Then you're looking through the clouds

So I'm gonna get giddy some how
Am **D**
Get giddy somehow

Yeah I swear I'll come around

G **D**
Won't you get giddy somehow
Am **D**
Get giddy somehow
G **D**
Yeah don't let life tie you down

(**G**) (**D**)
So laugh in the hopes
