Let Me In
Grouplove

Intro: **F# B F# B**

F#   B
Gimme, gimme that love
                F#   B
I ll be waiting for ya
F#   B
Catch my hand
                  F#   B
I ll be fighting for ya

F#
Let me in, yeah
B
Let me get closer
F#
Got me running wild
B
Like I feel it all over

F#   B
Catch my hand
                  F#   B
I ll be fighting for ya

C#   D#   B
All this time been tripping
    F#   C#
And sleeping around
C#   D#   B
You got me, now I m swimming
F#   C#   B
Swimming in clouds

(Chorus)
F#   B
Gimme, gimme that love
                F#   B
I ll be waiting for ya
F#   B
Catch my hand
                  F#   B F#
I ll be fighting for ya

F#   B
And I m finding out
          F#   B

That all I know is right at home
F#   **B**
But I m telling the man my plan
  F#   **B**
To never feel alone

F#
Let me in, yeah
B
Let me get closer
F#
Got my hands high
B
Like I ride a roller coaster
F#   **B**
Cannot be it, cannot be lonely
F#
Looking like you re loving
        B
You re living the moment

C#   **D#**   **B**
You got me, now I m swimming
F#   **C#**   **B**
Swimming in clouds

(Chorus)
F#   **B**
Gimme, gimme that love
                F#   **B**
I ll be waiting for ya
F#   **B**
Catch my hand
                F#   **B**
I ll be fighting for ya

D#
Holding my breath
B
Till theres nothing left
D#
Hold your breath
B
Now theres nothing left
F#   **B**
Gimme, gimme that love
                 F#   **B**
I ll be waiting for ya

Solo: **F# B** (4x)

F#   **B**
And I m finding out

```
         F#                      B
That all I know is right at home
F#                  B
But I m telling the man my plan
   F#          B
To never feel alone

(Chorus)
F#                  B
Gimme, gimme that love
                 F#        B
I ll be waiting for ya
F#          B
Catch my hand
                 F#        B (B A#)
I ll be fighting for ya

D#
Holding my breath
B
Till theres nothing left
D#
Hold your breath
B
Now theres nothing left
F#                  B
Gimme, gimme that love
                 F#        B
I ll be waiting for ya
