

Just For A Moment
Gryffin

[Verse 1]

G **D** **Bm** **A**
I ll tell you something you need to know
G **D** **Bm** **A**
Nothing I can say phone to phone
G **D** **Bm** **A**
I ll tell you something but you have to sit, close
G **D** **Bm** **A**
You re the one that I miss the most

[Pre-Chorus]

G
I ve heard that you re happy
 D **Bm**
And maybe it s selfish of me
 A
To want you back this time
 G **D** **Bm**
I know we decided it s better if we both were free
 A
But it kills me now

[Chorus]

G **D**
We said our last goodbye
 Bm
Won t you stay the night
 A
Even just for a moment?
G **D** **Bm**
Perfect lie, pretend we re fine
 A
Even just for a moment
G **D**
Though we re over, we re so not over
A **Bm**
Pull me closer, (I) need closure
 G **D**
This is our last goodbye
 Bm **A**
Stay the night, even just for a moment
G D Bm A

 Even just for a moment
