

Love In Ruins
Gryffin

[Verse 1]

Am **Em**
Show me how we move
A
Now I m learning
Am **Em**
Three is more than two
A **G**
You are the one I see
A **G**
You are a half of me
G **A**
As much as we bare our souls, we re animals
G **A**
I m aching to see my boy lose control

[Chorus]

G **Em** **Am**
I know that we could leave our love in ruins
Em **G** **A**
And bury this six feet in the grave
A **Em**
But I wanna know the hurt that hits
Em **Am**
When you kiss her lips
A **G**
So why don t we play a game?
G **Em** **Am**
I know that we could leave our love in ruins
Am **A**
Or maybe we should both be unafraid
A **Am**
I wanna see you bend the rules
Am
Me and you
Am **G**
So come give yourself away

[Verse 2]

Am
Show me how she moves
Am **Em**
The earth is turning
Am **A**
We re too strong to lose

A

And I promise you

A **G**

You are the one I see

A **G**

You are a half of me

G **A**

As much as we share our souls, we re animals

[Chorus]

G **Em** **Am**

I know that we could leave our love in ruins

Em **G** **A**

And bury this six feet in the grave

A **Em**

But I wanna know the hurt that hits

Em **Am**

When you kiss her lips

A **G**

So why don t we play a game?

G **Em** **Am**

I know that we could leave our love in ruins

Am **A**

Or maybe we should both be unafraid

A **Am**

I wanna see you bend the rules

Am

Me and you

Am **G**

So come give yourself away
