**Gryffin**

Put capo on 4 for original version, otherwise just play it to suit your voice :)

**Bm G D**

[Verse 1]

**Bm G D**  
Don't lie, I know you been thinking it  
**Bm G D**  
and two times, you let it slip from your lips  
**Bm G D**  
You've got too much time to make any promises  
**Bm G D**  
Thinking that we got time, and you wanna keep it in

[Pre-Chorus]

**Bm G**  
I want you out in the pouring rain  
**D A**  
I want you down on your knees  
**Bm G**  
Praying to God that I feel the same  
**D A**  
I'm right here baby, so please

[Chorus] x4

**Bm G**  
Hold me up, tie me down  
**D A**  
Cause I never wanna leave your side  
**Bm G**

**D A**  
And it's been eating me alive  
**Bm G**  
You can take me home  
**D A**  
You can never let me go  
**Bm G D**  
Hold me up, hold me up  
**A Bm G D A**

Nine lives until you fall at my feet

You're not shy, so baby it's useless

**Bm** **G** **D**  
So don't try, cause you'll end up losing it

[Pre-Chorus]

I want you out in the pouring rain

**Bm** **G** **D** **A**

Cause nobody wins these waiting games
