Exit Flagger
from the Guided by Voices album Propellor

Tabbed by Michael Davidson

This one s really easy. First of all, here are the chords. (All barre,
but it sounds much better if you don t play the high e string on the
e-shaped ones. Listen to the song; they keep it pretty low.)

A - 577655
B - x2444x
D - x5777x
Db - x4666x
G - 355433

The single-note riff (spelled with lowercase) is

A-5-5-5-4-4-4-4-2-2-2-2-----
E-----3-3-3-3-----

The main chord RIFF (uppercase) is the same thing, but with barre
chords. (That is, **D Db B G**)

riffx2

riff riff
I don t know where I ve come from I don t know where I m off to

riff riff
I need to find a way out I need you to help me find it

RIFF
Exit Flagger x4

A **G** *
I m not going to race you today

riff riff

I need a life of sameness I don't compete in anything

riff riff
I promise to leave you one of these days I promise to leave real soon

RIFF
Exit Flagger x4

A **G** *
I'm not going to race you today

D **G**
I promise to leave you x4

Then through the solo it's just the RIFF four times,
an A, a G, and the riff eight times.

* Instead of A then G, you can play A (x0222x), B, Db, D instead which follows the bass line instead of the guitar. (You can play the A that way anytime, but I think it's easier to slide to the G if you go ahead and play it on the fifth fret.)
