

Game Of Pricks
Guided By Voices

A **C#m** **F#m**
I ve waited too long to have you
D
Hide in the back of me
A **C#m** **F#m**
I ve cheated so long I wonder
D
How you keep track of me
Bm
You could never be strong
D
You can only be free
 A **Amaj7** **Bm**
And I never asked for the truth
 C#m **D**
But you owe that to me
A **C#m** **F#m**
I ve entered the game of pricks
 D
With knives in the back of me
A **C#m** **F#m**
Can t call you or on you no more
D
When they re attacking me
Bm
I ll climb up on the house
D
Weep to water the trees
 A **Amaj7** **Bm**
And when you come calling me down
 C#m **D**
I ll put on my disease
Bm
You could never be strong
D
You can only be free
 A **Amaj7** **Bm**
And I never asked for the truth
 C#m **D** **A**
but you owe that to me
