

Game Of Pricks
Guided By Voices

G# **Cm** **Fm**
I ve waited too long to have you
C#
Hide in the back of me
G# **Cm** **Fm**
I ve cheated so long I wonder
C#
How you keep track of me
Bbm
You could never be strong
C#
You can only be free
 G# **G#maj7** **Bbm**
And I never asked for the truth
 Cm **C#**
But you owe that to me
G# **Cm** **Fm**
I ve entered the game of pricks
 C#
With knives in the back of me
G# **Cm** **Fm**
Can t call you or on you no more
C#
When they re attacking me
Bbm
I ll climb up on the house
C#
Weep to water the trees
 G# **G#maj7** **Bbm**
And when you come calling me down
 Cm **C#**
I ll put on my disease
Bbm
You could never be strong
C#
You can only be free
 G# **G#maj7** **Bbm**
And I never asked for the truth
 Cm **C#** **G#**
but you owe that to me
