

Game Of Pricks
Guided By Voices

B **Ebm** **G#m**
I ve waited too long to have you

E
Hide in the back of me

B **Ebm** **G#m**
I ve cheated so long I wonder

E
How you keep track of me

C#m
You could never be strong

E
You can only be free

B **Bmaj7** **C#m**
And I never asked for the truth

Ebm **E**
But you owe that to me

B **Ebm** **G#m**
I ve entered the game of pricks

E
With knives in the back of me

B **Ebm** **G#m**
Can t call you or on you no more

E
When they re attacking me

C#m
I ll climb up on the house

E
Weep to water the trees

B **Bmaj7** **C#m**
And when you come calling me down

Ebm **E**
I ll put on my disease

C#m
You could never be strong

E
You can only be free

B **Bmaj7** **C#m**
And I never asked for the truth

Ebm **E** **B**
but you owe that to me
