=====

A E B

A

E B A
I am a tree - I show my age when I don t cry

E
I have the leaves

B A
That will fall off when wind blows by

E
Don t strip off my bark

B A
I have been stripped of it before

E
Yesterday s gone

B
And tomorrow has so much more in store

A E B F# -x2-

A

E B A
You are a bird - you re taking off in every way

E B A
Say the last word until there is nothing more to say

E
Don t interrupt

B A
You know the squirrels are my friends

E B A
Get off my limb - for I will break before I bend

E B D A C D A B

E

B D
I m planning to see

A C D A B E
I m planning to feel you all over me

B D A C
So climb up my trunk and build on your nest

C A B
Come and get the sap out if me

E B D A
E B D A

I am a tree!

E B D A
Fruitless and free!

E B D A
No symmetry!

E B D A
Touch me and see!

A E B -solo over-

A E B A
I am a tree - counting my rings will do no good

E B A
I won t live long but I would be with you if I could

E B A
When you take flight,
Remember me to one who lives there

E B
Since you have flown,
There s something special in the air

E B D A C D A B

E B D
I m planning to see
A C D A B E

B D A C
I m planning to feel you all over me
So climb up my trunk and build on your nest

C A B
Come and get the sap out if me

E B D A
E B D A

I am a tree!

E B D A
Fruitless and free!

E B D A
No symmetry!

E B D A
Touch me and see!
