chords:
F 133211
c x35553
Bb x13331
C# x46664
Dm x57765
______
F C Bb
F C# Bb
F
             C
With surgical focus
She stared at me and said
              C#
I m willing to reach out
Get into your head
I will keep you and cleanse you
  Bb
She glared at me and wept
A change is not going to hurt you
     Вb
not this time
                       Dm
                               Вb
And I ve been waiting in line for this
                      C#
                   Dm
Now that is taken forever I insist
Until I get it, I can breathe
climbing high upon the rocky cliffs
We fly
             F
                 C Bb
with surgical focus
