**Guided By Voices**

Song: Uphill Crick  
Group: Guided by voices  
Albumn: Hold on Hope EP

This is a great song from a great albumn. It s almost all in the finger formation used for the E and Am

For each chord in the beginning hit only the first string or two of the on beat, and then strum the full on the off beat.

Chords:

E: 0 2 2 1 0 0  
F#7sus4: 0 4 4 3 0 0  
Asus2: 0 7 7 6 0 0  
Cmaj7: 0 10 10 9 0 0  
Bsus4: 0 9 9 8 0 0

**E**

Pike fly mighty, every thing tries to

**F#7sus4**

In the uphill crick

**Asus2**

**Cmaj7 Bsus4**

Kings and queens the same-fan that flame, and

**E**

Hot soup boils in the wretched spoils of the

**F#7sus4**

clock collector s clique

**Asus2 C B A B**

Why should I listen to you

**A C B A B E**

Why should I listen to you now

**E F#**

Cause you re okay

**A**

You make me high

**C B E**

and it s a day away oh yeah
