

**If The World Ends**  
**Guillemots**

**Dm** **Am**  
I just about managed to forget you  
**G**  
when you appear in a dream...  
**Dm** **Am**  
And you're even more beautiful there  
**G**  
than I remember you being...  
**Dm**  
So I've come to decide that fate  
**Am** **G**  
is telling me you to not go...  
**Dm**  
And considering this  
**Am** **G**  
I want you to know...

**C** **G** **Dm** **Am**  
If the world ends, I hope you're here with me  
**F** **C**  
I think we could laugh just enough  
**G**  
to not die in pain  
**C** **G** **Dm** **Am**  
If the world ends, it won't finish you  
**F** **C**  
you're not the type they can capture  
**Eb** **Bb**  
you flit like a fly catcher  
**F**  
they can't pin you down  
**C**  
can't pin you down

**C - Bb - F - Am - C - Bb - Am - Eb - Bb - F...**

**Dm**  
In my dream you're playing with  
**Am** **G**  
buckets of sand  
**Dm** **Am** **G**  
and water was running through both of your hands  
**Dm**  
and I don't think  
**Am** **G**  
I ever heard you speaking

**Dm** **Am**  
cause i was too wrapped up in the dream

**G**  
i was dreaming

**C** **G**  
so if the world ends

**Dm** **Am**  
i hope you re by my side

**F** **C**  
i don t think with you here

**G**  
it will be too much pain

**C** **G**  
and when you cry

**Dm** **Am**  
darling i wish you d feel my love

**F** **C**  
your heart is way beyond capture

**Eb** **Bb**  
flitting like a fly catcher

**F**  
they can t pin you down

**C - G - Dm - Am - F - C -Bb... F**  
whoa, they can t pin you down
