D

This is where we fall from the trees

Am

This is where the sky covers up

Daft killers of joy, you made a man out of me

D

And this is where the glass leaves the lens

AIII

Splintering a chemistry of friends

Bm/A

I ll treasure you always

You know I love you

O G

You know I love you

<u>ل</u>

You know I love you

D G

You know I love you

D

And this is where we wake in the ditch

Am

This is where our bodies sing no more

Bm/A

Fallen apples on the floor, pecked at by redwings

D - G

```
D
So pour another whisky out for me
It ll be the last bottle we share
As I drift into nowhere
Know that I loved you
Know that I loved you
Know that I loved you
D
But love was not enough to hold my grip
Can t you just feel my fingers slip
      F#m
Into those oceans in the sky where people swim
Oceans in the sky calling me in
F#m
Oceans in the sky I tell myself
F#m
Though I m not kidding anybody else
They know I m leaving
They know I m leaving
They know
They know
                     G
They know, know that I m leaving, leaving oh
They know that I m leaving this behind
D - G - D - G - D - G
D - G
So I m leaving my best friend
Just for the hell of it
Just for the sake of it
But how much I loved you
```
