Am C/G F7M
I won t be told anymore

Am C/G F7M
That I ve been brought down in this storm

Am C/G F7M
And left so far out from the shore

G4 G F7M (B11) F7M
That I can t find my way, back my way, anymore

Am C/G F7M
No I won t be told anymore

Am C/G F7M
That I ve been brought down in this storm

Am C/G F7M
And left so far out from the shore

G4 G F7M (B11) F7M
That I can t find my way, back my way, anymore

Am
Oh no, I...

(Am)

Am C/G F7M
Forgive them that tear down my soul

Am C/G F7M
Bless them that they might grow old
Am C/G F7M
And free them so that they may know
G4 G F7M (B11) F7M
That it s never too late

Am C/G F7M
For the many times, what seemed like a memory
Am C/G F7M
I ve searched and found the ways you used to lure me in
Am C/G F7M
I found the way, oh, why it had to be
G4 G F7M (B11) F7M
Mired in denial and so afraid

Am C/G F7M
If we ever find it s true
Am C/G F7M
That we have the strength to choose
Am C/G F7M
I m free of all the chains

G4 G F7M (B11) F7M
We held together

(Quotes)

(discurso Martin Luther)

(E D Am)
I m gonna tell you a story
Stand up for righteousness!
What?
Stand up for justice!
What?
Stand up for truth!
How can a person grow up with all this around them?
You got to call on that something
Where does it come from?
That can make a way out of no way
All this hatred?
What we ve got here is..
Fear!
That power that can make a way out of now no way
Failure to communicate
I tell ya I seen the lightning...I ve heard the thunder roll!
Everybody s acting like we can do anything and it don t matter what we do. Maybe
we gotta be extra careful because maybe it matters more than
we even know..
Sometimes...
Hatred isn t somethin you re born with

I feel discouraged
It gets taught
Sometimes I feel discouraged
I felt this fear
He promised never to leave me, never to leave me alone, no never alone, no never alone!
Let s get something straight, alright?
Promised never to leave me!
This whole thing was fucked up
Never to leave me alone!
All men betray. All lose heart!
I don t want to lose heart!...I want to believe
Black men and white men
Together at the table of brotherhood!
I have a dream
Free at last! Free at last! Thank God almighty!! WE ARE FREE AT LAST!!
