I stuck around St. Petersburg when I saw it was time for a change I killed the Tzar and his ministers, Anastasia screamed in vain I rode a tank, held a gen ral s rank, when the blitzkrieg raged and the bodies stank Pleased to meet you, hope you guess my name, but what s puzzling you, is the nature of my game

I watched with glee while your kings and queens, fought for ten decades for the gods they made I shouted out  $\$ Who killed the Kennedys? , when after all it was you and me

So let me please introduce myself, I am a man of wealth and taste

And I lay traps for troubadours, who get killed before they reach Bombay

Pleased to meet you, hope you guess my name, but what s puzzling you, is the

nature of my game

Pleased to meet you, hope you guess my name, but what s confusing you, is just the nature of my game

Just as every cop is criminal, and all the sinners, Saints
As heads is tails, just call me Lucifer, cause I m in need of some restraint
So if you meet me, have some courtesy, have some sympathy and some taste
Use all your well-learned politesse, or I ll lay your soul to waste
Pleased to meet you, hope you guess my name, but what s puzzling you, is the
nature of my game
