There Was A Time Guns N' Roses

Dm
Broken glass and cigarettes,
Writing on the wall,
It was a bargain for the summer,
And I thought I had it all.
          Dm
I was the one who gave you everything,
The one who took the fall,
You were the one who would do anything,
The one who can t recall.
Dm
Where she was while she was sleeping,
In another woman s bed,
Or the doctors or the lawyers,
Or a stranger that she met.
           Dm
If there s nothing I can gain from this,
Or anything at all,
It d be the knowledge that ya gave me,
When I thought I d heard it all.
         Am
It was a long time for you,
        Dm
It was a long time for me,
It d be a long time for anyone,
But looks like it s meant to be.
Social class and registers,

All the way from California,
On the way to your next call
To those non-negotiations,
To simulate a call
All the bad of learning evils and
Your ways around the laws
That keep you locked up sitting pretty,
On a pedestal up there
And now you re sleeping like an angel,
To any man who d fit in
Dm
If there s something I can make of this,
Or anything at all,
It d be the devil hates a loser and
You thought you had it all.
         Am
It was a long time for you,
         Dm
It was a long time for me,
It d be a long time for anyone,
But looks like it s meant to be.
If I could go back in time to the place
In my soul, there all alone,
Lonely tear drops,
Ooh, are calling you.
But I don t wanna know it now,
Cause knowing you it won t it change a damn thing.

Didn t wanna know it all,
Didn t wanna know it all and
I don t wanna know it now,

Yeah, there was a time,
Didn t wanna know it all,
Didn t wanna know it all and
I don t wanna know it now,

Oh, I would do anything for you,

Oh, I would do anything for you,
There was a time.
