

There Was A Time
Guns N' Roses

Ebm

Broken glass and cigarettes,

C#

Writing on the wall,

G#

It was a bargain for the summer,

F#

And I thought I had it all.

Ebm

I was the one who gave you everything,

C#

The one who took the fall,

G#

You were the one who would do anything,

F#

The one who can't recall.

Ebm

Where she was while she was sleeping,

C#

In another woman's bed,

G#

Or the doctors or the lawyers,

F#

Or a stranger that she met.

Ebm

If there's nothing I can gain from this,

C#

Or anything at all,

G#

It'd be the knowledge that ya gave me,

F#

When I thought I'd heard it all.

Bbm

It was a long time for you,

Ebm

It was a long time for me,

G#

It'd be a long time for anyone,

F#

But looks like it's meant to be.

Ebm

Social class and registers,

C#

Cocaine in the hall,

G#

All the way from California,

F#

On the way to your next call

Ebm

To those non-negotiations,

C#

To simulate a call

G#

All the bad of learning evils and

F#

Your ways around the laws

Ebm

That keep you locked up sitting pretty,

C#

On a pedestal up there

G#

And now you re sleeping like an angel,

F#

To any man who d fit in

Ebm

If there s something I can make of this,

C#

Or anything at all,

G#

It d be the devil hates a loser and

F#

You thought you had it all.

Bbm

It was a long time for you,

Ebm

It was a long time for me,

G#

It d be a long time for anyone,

F#

But looks like it s meant to be.

Ebm

C#

If I could go back in time to the place

Bb

In my soul, there all alone,

Ebm

Lonely tear drops,

C# Bbm

Ooh, are calling you.

C#

Eb

But I don t wanna know it now,

Bbm

C#

Ebm

Cause knowing you it won t it change a damn thing.

G#

F#

But there was a time.

(Solo)

C# **Ebm**
Yeah, there was a time,
C#
Didn t wanna know it all,
C#
Didn t wanna know it all and
G# **F#**
I don t wanna know it now,

C# **Ebm**
Yeah, there was a time,
C#
Didn t wanna know it all,
C#
Didn t wanna know it all and
G# **F#**
I don t wanna know it now,

(Solo)

Ebm **C#**
Oh, I would do anything for you,
Ebm
There was a time,
Ebm **C#**
I would do anything for you,
Ebm **C#**
Oh, I would do anything for you,
Ebm
There was a time.

(Solo)

Ebm
There was a time,
Ebm **C#**
I would do anything for you,

C# **Ebm**
Yeah, there was a time,

C#
Didn t wanna know it all,

C#
Didn t wanna know it all,

G# **F#**
I don t wanna know it now,

C#

Didn t wanna know it all,

C#

Ebm

I don t wanna know it now
