

There Was A Time
Guns N' Roses

C#m

Broken glass and cigarettes,

B

Writing on the wall,

F#

It was a bargain for the summer,

E

And I thought I had it all.

C#m

I was the one who gave you everything,

B

The one who took the fall,

F#

You were the one who would do anything,

E

The one who can't recall.

C#m

Where she was while she was sleeping,

B

In another woman's bed,

F#

Or the doctors or the lawyers,

E

Or a stranger that she met.

C#m

If there's nothing I can gain from this,

B

Or anything at all,

F#

It'd be the knowledge that ya gave me,

E

When I thought I'd heard it all.

G#m

It was a long time for you,

C#m

It was a long time for me,

F#

It'd be a long time for anyone,

E

But looks like it's meant to be.

C#m

Social class and registers,

B

Cocaine in the hall,

F#

All the way from California,

E

On the way to your next call

C#m

To those non-negotiations,

B

To simulate a call

F#

All the bad of learning evils and

E

Your ways around the laws

C#m

That keep you locked up sitting pretty,

B

On a pedestal up there

F#

And now you re sleeping like an angel,

E

To any man who d fit in

C#m

If there s something I can make of this,

B

Or anything at all,

F#

It d be the devil hates a loser and

E

You thought you had it all.

G#m

It was a long time for you,

C#m

It was a long time for me,

F#

It d be a long time for anyone,

E

But looks like it s meant to be.

C#m

B

If I could go back in time to the place

G#

In my soul, there all alone,

C#m

Lonely tear drops,

B G#m

Ooh, are calling you.

B

C#

But I don t wanna know it now,

G#m

B

C#m

Cause knowing you it won t it change a damn thing.

F#

E

B

Didn t wanna know it all,

B

C#m

I don t wanna know it now
