

There Was A Time
Guns N' Roses

Em

Broken glass and cigarettes,

D

Writing on the wall,

A

It was a bargain for the summer,

G

And I thought I had it all.

Em

I was the one who gave you everything,

D

The one who took the fall,

A

You were the one who would do anything,

G

The one who can't recall.

Em

Where she was while she was sleeping,

D

In another woman's bed,

A

Or the doctors or the lawyers,

G

Or a stranger that she met.

Em

If there's nothing I can gain from this,

D

Or anything at all,

A

It'd be the knowledge that ya gave me,

G

When I thought I'd heard it all.

Em

It was a long time for you,

Em

It was a long time for me,

A

It'd be a long time for anyone,

G

But looks like it's meant to be.

Em

Social class and registers,

D

Cocaine in the hall,

A

All the way from California,

G

On the way to your next call

Em

To those non-negotiations,

D

To simulate a call

A

All the bad of learning evils and

G

Your ways around the laws

Em

That keep you locked up sitting pretty,

D

On a pedestal up there

A

And now you re sleeping like an angel,

G

To any man who d fit in

Em

If there s something I can make of this,

D

Or anything at all,

A

It d be the devil hates a loser and

G

You thought you had it all.

Bm

It was a long time for you,

Em

It was a long time for me,

A

It d be a long time for anyone,

G

But looks like it s meant to be.

Em

D

If I could go back in time to the place

B

In my soul, there all alone,

Em

Lonely tear drops,

D Bm

Ooh, are calling you.

D

E

But I don t wanna know it now,

Bm

D

Em

Cause knowing you it won t it change a damn thing.

A

G

But there was a time.

(Solo)

D **Em**

D
Didn t wanna know it all,
D
Didn t wanna know it all and
A **G**
I don t wanna know it now,

D **Em**

D
Didn t wanna know it all,
D
Didn t wanna know it all and
A **G**
I don t wanna know it now,

(Solo)

Em **D**
Oh, I would do anything for you,
Em
There was a time,
Em **D**
I would do anything for you,
Em **D**
Oh, I would do anything for you,
Em
There was a time.

(Solo)

Em
There was a time,
Em **D**
I would do anything for you,

D **Em**
Yeah, there was a time,

D
Didn t wanna know it all,

D
Didn t wanna know it all,

A **G**
I don t wanna know it now,

D

Didn t wanna know it all,

D

Em

I don t wanna know it now
