sister tell me what mamma has done  
with the money I left from the selling of the gun  
Now I got one year and five days clean  
but a thousand more nights were lost in between

with your mamma s eyes and your daddy s disease  
brother dont go making mistakes like me  
the Oklahoma speedway is gonna make you mean  
get out while you can, in your highway machine

I m going where the blue note is blown.

What I did I can t recall,  
I was driving blind, headed for the wall

Now I give all I got, to pay for my sins  
whatever s leftover, just trow it in the wind

K.T.I.T,  
paying what I owe  
K.T.I.T,  
Im going were the blue note is blown.

well, heavens full of ghosts and the world is full of fools  
who never had a chance except by breaking the rules  
now this door will slide, the sky will open wide  
and I ll be back home in Tolsa and a minute past midnight.

K.T.I.T, ]  
praying as I go ] this whole reffrain 2x
