[Verse 1]

D **Bm** **Em** **F#m**
I never knew that close ... violets darling, state of my soul
D **Bm** **Em** **F#m**
Had i known a blue wind my old bed i tripped to see it grow
D **Bm** **Em** **F#m**
And i ... for ... honey its not you
D **Bm** **Em** **F#m**
Though the bird ... live where serpents swim if you re certain that it s true

[Pre-Chorus]

Em **Bm** **F#m** **F#m**
Well i wasn t sent too soon
Em **Bm** **F#m** **F#m**
This harm is just so hard to resist but i wish

[Chorus]

Bm **D** **Em** **Em**
Take a biff from the grit just to ease your voice
Bm **D** **Em** **Em**
The taint from your grain is nice ... have a choice, oh
Bm **D** **Em** **Em**
dont press your hug you do no running for ...
Bm **D** **Em** **Em**
unfold your palm - hold my hand

[Verse 2]

D **Bm** **Em** **F#m**
I ve always loved the scent of lemongrass ... of my dream
D **Bm** **Em** **F#m**
If i knew it grew in my old head i d pretend that i can see
D **Bm** **Em** **F#m**
Darling you could view my sun i show you everything i yearn
D **Bm** **Em** **F#m**
Not to worry, there is no hurry, but it s so easy to learn
