

Apathy Dance

Gustavo Berton

F **Am**
It s time to let go

G
But I won t let it die here, oh

F **Am** **G** **C**
All I wanted was a dance from your apathy

C **Am**
In the corner of my eye, I see a smile

C
It s been hiding for too long

Am
For a while, now

C **Am**
Only if you knew how well it suits you

C
You would leave it on, you know you would

F **Am**
It s time to let go

G
But I won t let it die here, oh

F **Am** **G** **F#**
All I wanted was a dance from your apathy

F **Am**
A stranger you know

G
As you look in the mirror

F **Am** **G**
All I wish for is a light upon all this fear

C **Am**
Everybody watches as you glow

C **Am**
But everyone who loves you sees right through

C **Am**
You have built a life that s not your own

C **Am**
And now you only try to catch the wind

F **Am**
It s time to let go

G
But I won t let it die here, oh

F **Am** **G** **F#**
All I wanted was a dance from your apathy
