

**Black And White**  
**Gustavo Berton**

Intro: **Am Am7 G**

**Am Am7**

I m painted black and white  
I ve seen this all before  
The moon hides in the sky  
My anchor s way off shore

**Dm**

Do you know where the truth is?

**E**

Do you know where your heart is?

**Am Am7 G**

**Am Am7**

My eyes are seeing red  
My memory is cursed  
So when I go to bed  
Oh all my wounds are nursed

**Dm**

Do you know how it feels like?

**E**

Do you know how it burns so bright?

**Dm C G6/B Am**  
I watch your devil eyes as they deceive

**Dm C G6/B Am**  
Those who still believe in love like me

**Dm C G6/B Am**  
All you really wish is a true wish

**E Am Am7 G**  
Feeling like you truly feel a thing

**Am**

For too long I was blind  
For too long I was lost  
I was for too long blind  
Lost I was for too long

**Dm**

This confusion is too confusing

**C G6/B Am**

Can t let myself loose my poise

**E**

And I m starting to believe this ship is going down

**Dm C G6/B Am**  
I watch your devil eyes as they deceive

**Dm**                    **C**                    **G6/B**                    **Am**  
Those who still believe in love like me

**Dm**                    **C**                    **G6/B**                    **Am**  
All you really wish is a true wish

**E**  
Feeling like you truly feel a  
Feeling like you truly feel a thing
