

**Black And White**  
**Gustavo Berton**

Intro: **Bm Bm7 A**

**Bm Bm7**

I m painted black and white  
I ve seen this all before  
The moon hides in the sky  
My anchor s way off shore

**Em**

Do you know where the truth is?

**F#**

Do you know where your heart is?

**Bm Bm7 A**

**Bm Bm7**

My eyes are seeing red  
My memory is cursed  
So when I go to bed  
Oh all my wounds are nursed

**Em**

Do you know how it feels like?

**F#**

Do you know how it burns so bright?

**Em D A6/B Bm**  
I watch your devil eyes as they deceive

**Em D A6/B Bm**  
Those who still believe in love like me

**Em D A6/B Bm**  
All you really wish is a true wish

**F# Bm Bm7 A**

Feeling like you truly feel a thing

**Bm**

For too long I was blind  
For too long I was lost  
I was for too long blind  
Lost I was for too long

**Em**

This confusion is too confusing

**D A6/B Bm**

Can t let myself loose my poise

**F#**

And I m starting to believe this ship is going down

**Em D A6/B Bm**  
I watch your devil eyes as they deceive

**Em**                    **D**                    **A6/B**                    **Bm**

Those who still believe in love like me

**Em**                    **D**                    **A6/B**                    **Bm**

All you really wish is a true wish

**F#**

Feeling like you truly feel a

Feeling like you truly feel a thing
