

Midnight Train
Gustavo Bertoni

C **Am** **Em**
Girl, you know I ve waited for this day
C/F **Dm** **Am G**
I was stuck on a puzzle, I drowned in the pouring rain
C **Am** **Em**
You reached out to me, you showed me the way
C/F **Dm** **Am G**
Your fears, like mine, they took the midnight train

(**C** **Am** **Em** **C/F** **Dm** **Am**)

C **Am** **Em**
Now so much of me is in your hands
C/F **Dm** **Am** **G**
And my burden s is yours to hold, as yours is mine

C/F
Call for me, my lover
 G4 **G**
When your nights are gone astray

Am **C** **C/F**
Every now and then we ll need a savior
Dm **C** **G**
Every now and then we ll need a hand
Am **C** **C/F**
When you feel your bedroom walls a crumbling
Dm **C** **G**
Don t you dare to feel that you re alone, no

C **Am** **Em** **C/F** **Dm** **Am**

C **Am** **Em**
You ve been there where light seems faraway
C/F **Dm** **Am**
Your shadow behind me but I couldn t see
C **Am** **Em**
Reaching out for something we don t know
C/F **Dm** **Am G**
Holding on to what we still don t have

C/F
Call for me, my lover
