

Do We Lose 21 Grams
Gustavo Santaolalla

you have to figure out the timing but it generally goes like this..

standard tuning

```
|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|
|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|
|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|
|4h5h4~---4h5h4~---4h5h4~---4-5~---4h5h4~---4h5h4~---4h5h4~---4h5h4~---0
|-----|-----|-----|-----|-----|-----|-----|-----|-----|-----|
|-----5~-----5~-----5~-----5~-----5~-----5~-----5
```

also in the background something like this fades in

```
|--2--|--2--|--2-0-| one of those repeated, its too quiet to tell.
|---0-|---0-|-----|
|-2---|-4---|-2----|
|-----|-----|-----|
|-----|-----|-----|
|-----|-----|-----|
```
