[VERSE 1]

```

      Em           A2
And you walked out when I asked you to stay
      C           G   G/F#
As usual you get your way
      Em           A2
You closed the door and stumbled down to the street
      C           G   G/F#
Where you wring your hands, and you drag your feet there

```

Where the words can't find you, to crawl inside you
