

**Demon
Guster**

This is a beautiful song, and so are the chords! Try playing them behind the tabs, it sounds really awesome!

The entire song is just four chords:

Am F C G

The verses go:

Intro
Verse 1
Pre-Chorus
Chorus
Verse 2
Pre-Chorus
Chorus x2

Listen to the song to get the strumming pattern

Most of the song sounds good with just the chords, but you can try doing the intro with just chords or just the tabs, it sounds really good either way!

If you don't have a copy of the CD, hit their website and listen to it on the player
