C# E B C#

C# **B**
I know there is a place
C#
a place where I belong
B
not mistreated or undone
C# **B**
and if I find that place
C#
I ll keep my mouth shut
B
cause I won t be there alone
C#
and if you re standing there with me
B **C#**
I ll swear it s a lie and I ll still believe it
C# **B** **A - E**
cause I came and I spoke and you ran
C# **B**
and didn t even wait to hear the words
A **E**
or see the look in my eyes
C# **B** **A** **E**
cause I bled and you watched and I cried myself to sleep
C# **B**
came to wipe my tears away but you
