

**On The Ocean**  
**Guster**

Standard tuning, no capo.  
I used bar chords, it makes it more fun to play.  
Great song, fun to play.

**Bbm?**

E: 1

First tab, hope it s relatively correct.  
On The Ocean lyrics

Verse:

Am I asleep?  
Is this a dream?  
Oh my God, what have I done?  
Anything?

Verse:

At twenty-three,  
You walked out on me.  
Oh my God, where have you gone?  
Anyway?

Chorus:

On the ocean,  
I think I m taking on water.  
The storm is on the way,  
But I will hold on anyway.

Verse:

Ten thousand leagues,  
under the sea,  
Oh my God, what have you done?  
Anything?

Bridge:

Twenty nine years,

I've wondered around,  
There's no beauty here,  
No emerald town,  
I shall all?, what will be forgotten?  
Everything?

Chorus:

On the ocean,  
I think I'm taking on water.  
The storm is on the way,  
But I will hold on anyway.

Bridge:

I close my eyes and there's someone beside me.  
Hand in hand we can only speak in tongues.  
She's pulling me along.

Followed down, a trail of crumbs behind me,  
My head's in her hands,  
But everything, it still feels wrong.  
This isn't what I thought,  
So can I just go home?

Verse:

Am I asleep?  
Is this a dream?  
Oh my God, what have I done?  
Anything?

(ROUND)

On the ocean,  
Ten thousand leagues,  
I think I'm taking on water,  
Under the sea,  
The storm is on the way,  
Oh my God, what have you done?  
But I will be? you? anyway.  
Anything?
