

Parachute Guster

I searched across the web and just could not find a tab accurate enough to actually play the song with. I decided to take it into my own hands and here s my first tab submission

Tune guitar to an open D chord:

D |---down whole step
A |---down whole step
F#|---down half step
D |---
A |---
D |---down whole step

Intro: * = Harmonic

```
|---12*-----12*---|  
|---12*-----12*---|  
|---12*--goes to--13---| Just listen to  
|---12*-----12*---| find out rhythm.  
|---12*-----12*---|  
|---12*-----12*---|
```

Verse:

```
|---0-----0-----0-----4-----5-----| Open D (all strings)  
|---0-----| is occasionally thrown  
|---0-----| in. Just listen for it  
|---0-----3-3-3-----3-3-3-----3-3-3-----3-3-3---| and also just listen to  
|---0-----5-5-5-----5-5-5-----5-5-5-----5-5-5---| find out the strumming  
|---0-----| pattern.
```

This continues for a while until Find myself convincing....

Verse 2:

```
|---7---5---7---5---0-----7---5---0---| Each chord is strummed a number of  
|---7---5---7---5---0-----7---5---0---| times before going to the next one,  
|---7---5---7---5---0-----7---5---0---| I just didn t feel like writing that  
|---7---5---7---5---0-----7---5---0---| many chords.  
|---7---5---7---5---0-----7---5---0---|  
|---7---5---7---5---0-----7---5---0---|
```

Bridge:

```
|---5---4---2---0---5---4---2---| Again each chord is strummed
|---0---0---0---0---0---0---0---| more than just once.....
|---0---0---0---0---0---0---0---|
|---0---0---0---0---0---0---0---|
|---0---0---0---0---0---0---0---|
|---5---4---2---0---5---4---2---|
```

Verse (not so long this time, only goes to How much strength does it take)

Then:

```
|---0---0---4---5---| Again, each are strummed multiple times,
|---0---0---0---0---| and listen to get rhythm right - sometimes
|---0---0---0---0---| the bass notes are strummed and then the
|---0---0---0---0---| full chords.
|---0---0---0---0---|
|---0---0---0---0---|
```

Verse 2

Bridge

And finally.....

```
|---7---9-----|
|---5---9-----|
|---0---8---REPEAT THIS TILL END---| Must I say to strum each chord
|---0---0-----| alot, about say....24 times???
|-----|
|-----|
```

Anyway that s about it. Hopefully I provided you with an accurate and playable tab to the best of my first-time-tabbng abilities. This is in my opinion one of the best
