Title: The Sun Shines Down On Me  
Interpret: Guster  
Album: Pasty Tapes, Volume 3

**A E D F#**  
I m getting closer to the fact  
**Bm E A**  
I ve turned my back, on silly things  
**A E D F#**  
I m walking down that lonely road  
**Bm E**  
And my heavy load,  
**A**  
I didn t bother to bring it  
**D Dm A**  
The Sun shines down on me  
**D Dm A**  
I feel like I deserve it.  
**D Dm**  
& the sun shines down.

**A E D F#**  
I m hiding out where you can t see  
**Bm E A**  
Behind a wall, in the back of the room  
**A E D F#**  
I m crawling slowly through the dark  
**Bm E**  
and feeling for a punch-line  
**D Dm A**  
The Sun shines down on me  
**D Dm A**  
I want to feel like I deserve it.  
**D Dm**  
and the sun shines down.

**A E D F#**  
I m walking down that empty road  
**Bm E**  
But it ain t empty now,  
**A**  
Because I m on it  
**A E D F#**  
I m getting closer to a hope  
**Bm E**

That I can carry
