//(You ve got it from here)

And all the people who ve seen it all before
And all the people who already understand
Know they re right
and done it right
Could I get to be like that?
I don t know and I don t know
It s harder everyday

Can t lift a finger
Can t hurt a fly
I find I always move too slowly
One thing s for certain
I m insecure
I never knew till someone told me that

If that s all that you will be
Then you ll be a waste of time
You ve dreamed a thousand dreams
None seem to stick in your mind

Two points for honesty
It must make you sad to know that
Nobody cares at all
Nobody cares at all
They never cared at all
