What You Call Love - Guster  
Album - Easy Wonderful

Standard Tuning

Verse

I caught a piece of the sunshine, put a little hope in me  
But after the flood raged, there s nothing really left to see  
But I was not done, or beat, the violence was a source of strength  
Not everything is always just as it seems

Chorus

What you call love, is just urgency  
What you call love, is a place you turn in an emergency  
Would you give up, when it s not what you want it to be?  
But that s not love, what you call love
