

**The Place That I Call Home**

**Guy Jones**

**Am**

Lay Down old Boy put your Head down to rest

**C**

Wait till the Morning then start over again

**F**

**G**

It can't be be far now til we find our home

**Am**

I've set along out on this road

**C**

I'll keep on moving til I know

**F**

**G**

The Way back to the Place that I call Home

**Am**

I've set along out on this road

**C**

I'll keep on moving til I know

**F**

**G**

The Way back to the Place that I call Home

**Am**

Lay Down old Boy put your Head down to rest

**C**

Wait till the Morning then start over again

**F**

**G**

It can't be be far now til we find our home

**Am**

we step on our shoes from a long time ago

**C**

we walked a lot of miles through the sun and the snow

**F**

**G**

And know I know it, close to finding home

**Am**

I've set along out on this road

**C**

I'll keep on moving til I know
