       D                     G
Well, I never felt more like singin  the blues
        D                   G        A
 cause I never thought that I d ever lose
     G        A           A7         D   G D
Your love dear, why d you do me this way?

         D                   G
Well, I never felt more like cryin  all night
        D                   G          A
 cause everythin s wrong, and nothin  ain t right
        G  A           A7          D   G D  D7
Without you, you got me singin  the blues.

   G                     D
The moon and stars no longer shine
     G               D
The dream is gone I thought was mine
        G             D
There s nothin  left for me to do
     D      G    A              A7
But cry-y-y-y over you (cry over you)

         D                   G
Well, I never felt more like runnin  away
      D                    G        A
But why should I go  cause I couldn t stay
        G  A           A7          D   G D
Without you, you got me singin  the blues.
