

Whos That Girl
Guy Sebastian

Here s the latest song by Guy Sebastian, also featuring Eve. The rapped section in the song doesn t really have any instrumentation, so I just used the same chord progression for the rest of the song.

My performance of this song is available on YouTube:

[Verse 1]

C
I was on the mic
Am7
Doin my thing on a friday night
Fmaj7
Had the floor burning up just right
Dm
Everybody was bumpin , the club was jumping
C
Suddenly, you walked in
Am7
That s when everybody stopped dancing
Fmaj7
And I couldn t stop myself staring
Dm
Yeah I couldn t breathe, No I couldn t believe my eyes

C
I never thought I d fall in love in a club
Am7
But now I seen you girl I can t get enough
F
With you I know there s no taking it slow
Dm
So can somebody please let me know

[Chorus]

C
Tell me who s that girl
Just walk walk (walk) in the club
Am
Tell me who s that girl
Just walk walk (walk) in the club
Dm
Tell me who s that girl
Just walk walk (walk) in the club
Just walk walk (walk) in the club

Just walk walk (walk), walk walk (walk), yeah

C

Before the night is through

Am7

Imma tell ya how I feel about you

Fmaj7

And I know I got some work to do

Dm

To make you believe that you should be leaving with me

C

I never thought I d fall in love in a club

Am7

The more I get of you, I can t get enough

Fmaj7

I won t be letting you leave here alone

Dm

So can somebody please let me know

[Chorus] x 2

[Eve]

E.V.E

C

I walk in the club it s over

All them other chicks might as well move over

Am7

Wanna know my name then you gotta get closer

Eyes on you too wanna get to know ya

Fmaj7

Lemme run it down for ya, I m not easy

Some say caramel, you can call my evie

Dm

Wanna be the man in my life that please me

Gotta warn in, Once ya know me, you need me

C

Give you whip lash when I glide through the room

Five inch heels, watch how I move

Am7

Watch how I shake it to the beat, how I do

Know you wanna feel me, feel me shake it on you, yeah

Fmaj7

The night could get crazy

But I gotta hold back, I m a lady

Dm

Well who knows maybe I could be your baby

Be your baby, be your baby

[Guy]

C

Wo-oh

Am7

Wo-oh oh

Fmaj7

Wo-oh

Dm

Wo-oh

[Chorus] x 2
