

D

Tick-tock, tick-tock

Tick-tock, tick-tock

A C

Take a chance you stupid ho

D

Like a echo pedal you re repeating yourself

You know it all by heart, why are you standing in one place

A C

Born to blossom, bloom to perish

D

You know you re (wiggling out) cause of your sex chromosome

I know it s so messed how our society ll think (for sure)

A C

Life is short, you re capable (uh-huh)

D A

Oh, oooh

C D

Look at your watch now

A

You re still a super hot female

C D

You got your million-dollar contract

A

And they re all waiting for your hot track

What you waiting

C

What you waiting

What you waiting

D

What you waiting

A

What you waiting for

What you waiting

C

What you waiting

What you waiting

D

What you waiting

What you waiting for

A C D A

I can t wait to go back into Japan

C D

Gimme lots of brand new fans

A C D

Osaka, Tokyo

A

You Harajuku girls

C D (break)

Damn, you ve got some wicked style
