**A A G D**

I left the keys under the mat to our front door

**A A**

For one more chance to hold you close

**G D A**

I don t know where you re going

**A**

Just get your ass back home

**Bm**

We both knew this type of life

**F#m**

Didn t come with instructions

**A**

So I m trying to do my best

**Em**

To make something outta nothing

**Bm**

And sometimes it gets

**F#m**

Downright shitty in fact

**A**

When you call and I don t even know

**Em**

What city I m at

**Bm**

Or what day of the week in the middle of the month

**F#m**

In a year I don t recall

**A**

It s like my life s on repeat and the last time we spoke

**Em**

I told you I wouldn t be long

**Bm**

**F#m**

That was last November now December s almost gone

**A**

**Em**

I d apologize but I don t realize what I m doing wrong

**G D**

**A**

I don t know where you re going

**A**

**G D**

Or when you re coming home

**A**

**A**

**G**

**D**

I left the keys under the mat to our front door

**A**

**A**

For one more chance to hold you close

**G D**

**A**

I don t know where you re going

**A**

Just get your ass back home

**Bm**

And you been nothing but amazing

**F#m**

And I never take that for granted

**A**

Half of these birds would have flew

**Em**

To coop with you, you truly understand it

**Bm**

And the fact you stood beside me

**F#m**

Every time you heard some bogusness

**A**

You deserve a standing O

**Em**

Cause they d a just been over it

**Bm**

Let em talk, let em talk, let em talk, let em talk

**F#m**

Like we don t hear what they saying

**A**

Let em walk, let em walk, let em walk, let em walk

**Em**

We ll just drive by and keep waving

**Bm**

Cause you and I above all that

**F#m**

Just let em wallow in it

**A**

Now they all choked up, yuck

**Em**

Cause they be swallowing it

**G D A**

I don t know where you re going

**A G D**

Or when you re coming home

**A A G D**

I left the keys under the mat to our front door

**A A**

For one more chance to hold you close

**G D A**

I don t know where you re going

**A**

Just get your ass back home

**G D**

No one holds me down like you do, sweetheart

**A A**

You keep doing that, I ll keep doing this

**G**

We ll be all right in the end

**D**

Trust that

**A**

We put the us in trust, baby

**A**

**A A**

You ll miss me when you re gone

**G D A**

I don t know where you re going

**A G D**
