Gym Class Heroes Cool and Dre (this is) You silly for this one It's Travie (why you doin this to me)

In hopes that one of my jokes would have the pretty young things laughin The chubby little bastard with a nack for little debbies snacks But what I lacked in looks I made up for it in passion No advance and plus we make it happen Your conscience more obnoxious then that laughy Taffy snappin Goodbye yesterdays rags Helloo high fashion Hands before you's a man that built a castle with sand With no regards for tidelwaves and finally established Til the water comes in gallon drums and wipes away my palace But now im sittin lovely off in wonderland with Alice With purple people passin me at the catapillar's chalice Ha, you prob thinking im wrong right? Like I should quit writing these songs right? Tell you what..do it better I just might Take it back to 86 you wanna lick, sike!

Busta Rhymes

Before I utter words and before I start to begin Let me make sure you clear im about securing the wind I puzzle up my words while I piece another concoction Cause im stubborn with the thought that failure was never an option I grinds like a carpenter until my caleceous's bleed With the passion from my heart to the many mouths that I feed That's why I look at most of you stupid I know its odd Because you can't really do nuttin to me unless you GOD But bein that none of you aint himâ€|.you can't fuucck with me now watch me erase them Now trust me see im so determined im walkin through the heap of gauntlets while the fire is burnin Or how the tires turning on the rim of the V I laugh and shake it off the shiiit they be doin to me Wit all the yappin and talking and so and so think that you can ever stop the kid OH NO

Chorus???

So if you get in my way you know yer done son
You best believe what I say you better run son
Fuucck you because I do this for my loved ones
Fuucck you because I do this for my loved ones
You better kneel down and pray cause where I come from
We goin hard everyday that's how the fights won
Fuucck you because I do this for my loved ones
Fuucck you because I do this for my loved ones
Put up the peace sign, put the index down
Put up the peace sign, put the index down
Put up the peace sign, put the index down
Put up the peace sign, put the index down
Put up the peace sign, put the index down

Travis

Look mom no hands
Yer little boys a man
Everything you said is finally settin in
Trainin wheels fell off and I kept peddling
Now im ridin wheelies on this industry
Say the word I'll ghostride this bittch instantly
Good lookin pop on the strength that you givin me
Wasn't for you Gym Class would be history
I'm on my upstate shiitt
I Was Brooklyn broke but now im upstate rich
Gettin brains from two dames with French accents
Now I mess with local chicks I get em upstate shiiit
