Lyrics:

CHORUS

VERSE 1

Welcome back to the sunday before you cut me
 thinking back to the monday you tried to blame me
 looking back, remember your revenge attacked me
 rush of blood to the head of your line that crossed me

CHORUS

doctor doctor help me
 doctor doctor help me
 try to try to help me
 doctor doctor help me

VERSE 2

looking out, taking cover in case you saw me
from the top, taking note of the notes you wrote me
looking back i remember your attention drew me
hear me out, double cross - just cross me

CHORUS

SOLO

BRIDGE

hope you die for the misery that you gave me
hope you die, hope you die - love from me

CHORUS
