Intro: 80 Bpm
```
D           A                        Bm      A
   Sometimes I m just thinking
D             A               G     D/F#   Em
   That I got the best time of my life
D               A             G         A
   I ve been with my girl for seven years now
D              A              G         A
   And I got the sweetest dog, that trust me forever
```

Verse 1: 186 Bpm
```
D       A                Bm              A
   After school I took my chances
D            A               G    D/F#    Em
   Continued to do the things I love
D        A            G          A
   And now I find that I was right
D      A         G        A
   I m 26 now still I do what I want to
```

Pre-Chorus: Half Time Feel
```
Bm                          A
   And the days are passing by
Bm                      G        A         D
   I should realize that I ve got the time of my life
```

Chorus: Double Time Feel
```
      A                 Bm        A         D
                       (Ahh) - Time of my life
      A               Em D/F#  G           D
                       (Ahh) - Time of my life
      A                 Bm        A         D
And the days are passing by (Ahh) - Time of my life
      A               Em D/F#  G
And the days are passing by (Ahh)

Verse 2:
Now I sit here thinking
About the best time of my life
So many years I ve been with my band now
And four of my best friends they still trust me forever

Pre-Chorus: Half Time Feel
And the days are passing by
Now I realize, still I ve got the time of my life

Chorus: + Background Vocals (Ahhh) / Double time Feel
                                Time of my life
And the days are passing by - Time of my life
                                Time of my life
And the days are passing by
