

Spaceman
Haddaway

[Intro]

Am

[Verse]

Am **F**
Know this man hanging out in space, living together with a man in space
C **G**
Somebody told me, somebody told me
Am **F**
Venus shines every day and night, living with her just feels right
C **G**
Somebody told me, somebody told me

[Pre-chorus]

Am
Cuz living out here is not so bad
F **C**
The ladies I know always turn me in circles
G
Turn me in circles

[Chorus]

C
Spaceman, touchdown, come around
G **Am**
What you do, and what you found out there
F
There s somebody out there
C
Spaceman, touchdown, come around
G **Am**
What you do, and what you found out there
F **Am**
There s somebody out there

[Verse]

Am **F**
Titan s now giving us new light, the voice from Earth, looking for life
C **G**
Somebody told me, somebody told me
Am **F**
Pluto s flying alone out there, little by little, man wants to care
C **G**
Somebody told me, somebody told me

[Pre-chorus]

Am

Cuz living out here is not so bad

F

C

The ladies I know always turn me in circles

G

Turn me in circles

[Chorus]

C

Spaceman, touchdown, come around

G

Am

What you do, and what you found out there

F

There s somebody out there

C

Spaceman, touchdown, come around

G

Am

What you do, and what you found out there

F

Am

There s somebody out there

[Bridge]

Am

F

Are you gonna wait for me

G

Tonight

F

Mars will give us light to see

G

So bright

Am

Guide me to the clouds

F

The Earth

G

The Moon

Am

The sea

F

G

To you no-o-o-o-o-ow

[Chorus]

C

Spaceman, touchdown, come around

G

Am

What you do, and what you found out there

F

There s somebody out there (What you find out)

C

Spaceman, touchdown, come around

G

Am

What you do, and what you found out there

F

There s somebody out there (What you find out)

[Fading]

C

Spaceman, touchdown, come around

G **Am** **F** **C**

What you do, and what you found out there
