Capital Letters (feat. BloodPop)
Hailee Steinfeld

C
Never was a leader
        G
Never had a thing for fairytales
           Am   F
Not really a believer, nah noh
              C
Small voice in the quiet
          G
Guess I never dared to know myself
                Am
Kept my heart beat quiet
F
No
But then there was you
(But then there was you)
                  G
Yeah, then there was you
Pull me out of the crowd
                        Am
You were telling the truth
(You were telling the truth)
 G
Yeah (yeah, yeah)
                        F
I got something to say now
                    G
 Cause you tell me there s no way I could have known
              F
Nothing I couldn t do
   G
Yeah
C
I want to get louder
             Dm
I got to get louder
          Am
We bout to go up baby, up we go
            F
We bout to go up baby, up we go
              C
We re blowing out speakers
              Dm
Our heart a little clearer
              Am
We bout to go up baby, up we go
               F

```
We  bout to go up baby, up we go
For worse or for better
                G
Gonna give it to you
            C
In capital letters
We put a crack in the shadows
          G
And you tell me it s okay to be the light
                              Am
And not to swim in the shallows
   F
No, no
C
And I wanna get drunk with you
                    G
When we lie so still
But you re taking me places
      Am
Holding me onto you
           F
And we don t care who s watching us, baby
But then there was you
(But then there was you)
                  G
Yeah, then there was you
Pull me out of the crowd
                      Am
You were telling the truth
