Hailee Steinfeld

[Intro] **Dm G C F**
Dm G C F

Dm G C
Before you came into my life
F Dm
Everything was black and white
G

Now all I see is colour

F
Like a rainbow in the sky

Dm G C
So, tell me your love will never fade
F Dm

That I won't see no clouds of grey

Em
Cause I don't want another

Am
You bring colour to my life, baby

Dm G C F
Life was so heavy, I was giving up, na-na

Dm G C F
But since you came along, I'm light as a feather, ah

Dm G C F
You give me something incredible, sensational, baby

Dm Em Am
When we're together, everything is better

My darling

Dm G C F
Only you can brighten up my day

Dm Em Am
You make everything change, you rearrange

F
So don't go away

Let me tell ya

Dm G C
Before you came into my life

F Dm
Everything was black and white
G

Now all I see is colour
You bring colour to my life, baby

Now all I see is colour
You bring colour to my life, baby

I never thought that I would meet anybody
Who knows my body how you know my body (ah, yeah)
I can't deny I see us stick around cause we paint the town
Anyway that we want it
Like red and yellow and pink and green (shit)
That's what I see when you're here with me
Everything is brighter cause the limit is the sky
Baby, that's the way you make me feel

You know that

Only you can brighten up my day, yeah
You chase all those grey clouds away (you chase all those clouds away)
Help me find a brand new shade of me (me)
You make everything change, you rearrange
So don't ever fade (don't fade)
Don't fade, don't fade, don't fade, don't fade

You bring the colour, you bring the colour

F

Yeah, you bring the colour (oh, yeah)
